

Disciples who make disciples to impact the city of St. Pete for Jesus. This is STILL our mission.

What is the way forward for Local Church St. Pete during this unique time?

1. Sunday Gatherings will be livestreamed | EVERY Sunday @ 10AM

This is an online gathering for the entire church and we encourage you to invite your friends and family to join. We are excited to sing together, pray together, hear a LOCAL story from time to time and always hear a Talk based on a selection from the Bible. Please follow us on Facebook and Instagram for updates on where this livestream will be coming from. Our podcasts will be updated as usual and can be found on iTunes.

2. Digital House Groups | THROUGHOUT the week

In this unique season House Groups will meet digitally over [ZOOM](#) to go through our “Sunday Handout” from our series in The Gospel of Luke. This is also a time to reconnect, pray for one another and encourage one another on in our faith.

We are strongly encouraging everyone at Local Church St. Pete to download the video conferencing software ZOOM. If you have any questions about how to download and utilize the ZOOM app, please contact us for help.

Digital House Groups will meet the same time as before unless posted by your House Group Leader(s). Want to join a Digital House Group? Find a group [HERE](#). Message the Leader(s) and let them know you would like to join in. They will reach out and send you a ZOOM invite to join their Digital House Group. It’s our hope that EVERYONE will be connected with a Digital House Group.

Do you have any questions? Send them our way at info@localchurchstpete.com. We would love to help connect you with a Digital House Group in a meaningful way.

3. Digital Prayer Gatherings | Every single Wednesday 7-8AM & Every second Tuesday of the month 7-8PM

Now is the time (more than ever) to be a people shaped by EXPECTATION + DEPENDENCY, a people of prayer bringing desperate cries to the one who is present and active. I can’t help to wonder how God is going to use this to shape his church and reach people in our city with the hope of Jesus.

We will host Digital Prayer Gatherings via [ZOOM](#).

Again, please download the video conferencing software ZOOM.

4. Worship through song, times of Q & A and open conversation about being and making disciples | Dates TBD

We’re excited about offering a variety of open forum meetings through Facebook live or another social media platform focused on times of worship, questions about faith and the Bible, and frank conversations about being a disciple and making disciples.
